I. Purpose

- 1.1 The Policy Exceptions Committee at Utah Tech University (“the University”) is charged with reviewing and ruling on Exception to Policy petitions.

II. Scope

- 2.1 Applies to all students, faculty, and staff engaged in registration of credit-bearing courses at the University.

III. Definitions

- 3.1 **Committee Chair:** A University faculty member chosen by the Faculty Senate that serves as the head of the policy exception committee.
- 3.2 **Exception to Policy Petition:** A written request to the Policy Exceptions Committee requesting an exception to a University Policy explaining why they feel the exception is warranted.
- 3.3 **Extenuating Circumstances:** Any serious or exceptional factor outside of an individual’s control, which adversely affects their performance.
- 3.4 **Policy Exceptions Committee:** A group consisting of University faculty, staff, and currently enrolled student representatives that consider and make decisions regarding petitions for exceptions to policies.
- 3.5 **Quorum:** The minimum number of committee members that must be present at any meeting to make the meeting valid.

IV. Policy

- 4.1 The Policy Exceptions Committee is charged with reviewing and ruling on Exception to Policy Petitions.
- 4.2 An Exception to Policy Petition may be submitted for exceptions to policies that govern registration: adding courses, dropping courses, auditing courses, payment of tuition and/or fees, refunds of tuition and/or fees, complete withdrawals, and other registration policies.
- 4.3 At least five (5) voting members of the Committee must be present at any hearing, except during summer months when three (3) voting members will constitute a Quorum. The Committee Chair will only vote in the event of a voting tie.
- 4.4 The University is obligated to ensure the integrity of the academic transcript as a historical document. An exception to policy is warranted only in cases involving unusual and Extenuating Circumstances.
- 4.5 It is a student's individual responsibility to ensure the accuracy of his/her class schedule and transcript each semester and comply with all University regulations and deadlines. Being unaware of University policies or deadlines does not constitute justification for an exception to policy.
- 4.6 An Exception to Policy Petition must be received within four (4) years of the semester for which the petition is submitted.
- 4.7 If any committee member has a conflict of interest in a particular hearing, either self-disclosed or determined by the Vice President of Academic Affairs and Provost, or designee, that committee member will be excused, and an alternate from the same category may be appointed by the relevant Vice President.
- 4.8 Committee decisions are based on a majority vote.
